Reviewed By Linda Waterson

Official Apex Reviews Rating: ★★★★★

The final installment in the Song Trilogy, **Deuces Are Wild** brings the thrill ride that is the collective life of rock musicians Scott and Jenna to a nail-biting climax. At the conclusion of the previous installment, **Sweet Emotions**, Scott and Jenna welcomed the long-awaited arrival of their first child together, Zachary; however, despite the joy that they feel surrounding Zachary's birth, they are equally worried about his life and health, given the fact that he is born premature. As **Deuces** begins, Jenna remains home to care for Zachary while Scott resumes his life on the touring circuit – and, with the daunting challenges that face them both, neither of them has it easy.

As the uncertainty surrounding Zachary's growth and development mounts, it adds to the growing tension in Jenna and Scott's relationship. Add to the mix the divisive elements of blackmail, betrayal, kidnapping, and murder – and an already volatile situation becomes even more explosive. With all the drama that has unfolded in their lives, one would think that Jenna and Scott would be amply prepared to handle even the worst of tragedies yet to come – but the lingering threats that confront them may very well prove to be too cumbersome for the strained couple to bear...

As she has done with the previous two installments of her gripping trilogy, author Jan Bornstein delivers yet another powerhouse tale in **Deuces Are Wild**. Through compelling characters, skillfully crafted situations, and riveting storytelling, Bornstein brings her engaging series to an exciting denouement and an even more thrilling conclusion. Readers are sure to be satisfied with the ultimate resolution of open-ended issues that have lingered throughout the trilogy

– as well as pleasantly surprised by the unexpected twists that emerge as the tale proceeds.

A fulfilling end to an excellent literary series, **Deuces Are Wild** is sure to solidify Jan Bornstein's place among the ranks of talented new authors worldwide.
